

FULL OR PART-TIME OPPORTUNITY Maintenance Assistant / Handyman

Salary:	Dependent on experience
Contract:	Permanent
Hours:	Full time (could consider 2 part-time staff on job share) – early starts (7am) and potential for some weekend / bank holiday working
Location:	Pensthorpe Natural Park, Norfolk NR21 0LN

Do you have an eye for detail and wide experience of outdoor and indoor maintenance tasks? We're looking for a Maintenance Assistant / Handyman to help our small maintenance team and colleagues in our cleaning, indoor and outdoor teams to keep our Park in tip top condition for our visitors, staff and tenants alike.

It's an exciting time to start work at Pensthorpe as the summer season kicks in and visitors flock down our stunning driveway. Voted as East Anglia's Best Large Visitor Attraction in 2022, we take huge pride in our work and are looking for someone as dedicated as we are to the job.

As Maintenance Assistant / Handyman, you will have sound maintenance skills and experience, and ideally have prior experience / qualifications in using a variety of maintenance equipment and the ability to take good care of it too.

You will have hands on experience of a wide range of indoor maintenance tasks such as basic carpentry, plumbing and decoration, as well as experience of outdoor maintenance tasks such as building, landscaping, fence, path and walkway creation and upkeep, working manually or using powered equipment.

You need a can do attitude and a flexible approach to work as alongside your routine duties you may be also assisting our warden teams with aviculture duties and supporting the general upkeep and care of the park.

You will have an eye for detail and a proactive approach to be spotting what tasks need to be done so we keep on top of all those little things as well as the big tasks. As you will be hopping on and off equipment and vehicles as you move around the park, you will act quickly to resolve any basic maintenance issues, ensuring the park is safe and looking its best for our visitors every day.

Reporting to our Maintenance Manager, you will be able to work well in a team and also with limited supervision, working to a plan of maintenance tasks. You will need to be able to work cheerfully in all weathers and bring your individual personality to bear in your interactions with others.

You will need to hold a full driving licence and ideally you will also hold qualifications and licences in one or more of the trades described above.

How to Apply

Please send a full and detailed CV to hr@pensthorpe.com along with a covering letter or email explaining why you would best suit this role.

CLOSING DATE: Monday 9th May 2022
