

Discover: Fossils - Activity sheet

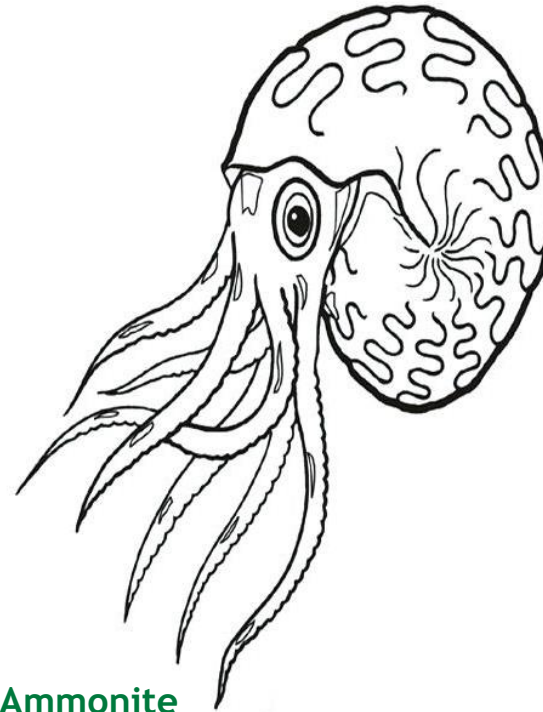

There were many different types of Trilobites. Draw a head on the body below to make a picture of a Trilobite you would like to have seen.

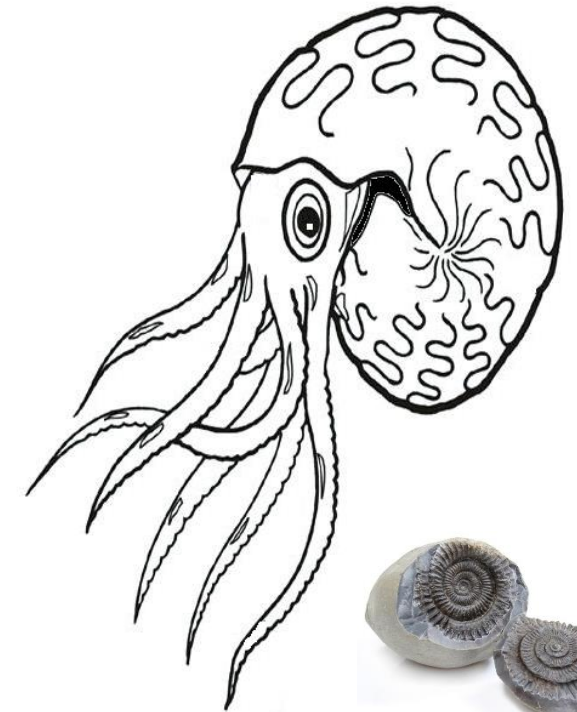

Trilobite

Circle six differences between the pictures of the Ammonites. You could colour the pictures in as well.

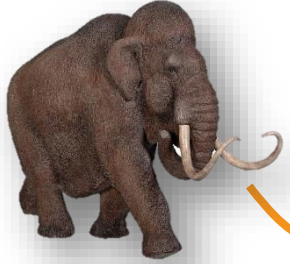

Ammonite

Discover: Fossils - Activity sheet

Help the Mammoth find food - but watch out for the hunters!

Woolly Mammoth tooth fossil

Draw a picture of your favourite fossil. Or you could draw a fossil of a dinosaur.
