

Discover: Habitats - Activity sheet 1

Name: _____

We have lots of habitats at Pensthorpe. Use this list to write the name of the habitats you learned about in the boxes. - Grassland; Rivers; Human buildings; Woods; and Lakes

Discover: Habitats - Activity sheet 2

Name: _____

Match the animals or flowers to their habitat by drawing a line from the flower or animal to the name of its habitat. Some may have more than one habitat.

Grassland

Soil and mud

Rivers

Lakes

Ponds

Buildings

Woods

Discover: Habitats - Activity sheet 3

Name: _____

There will be lots of **microhabitats** in your garden. Go for a walk and see which ones you can find. Write the names of them in the big box. Look closely and see which animals and plants are using these habitats and write their names in the boxes numbered 1 and 2.

Remember - Microhabitats are small.

Tree stumps

Log piles

Under stones

Muddy banks

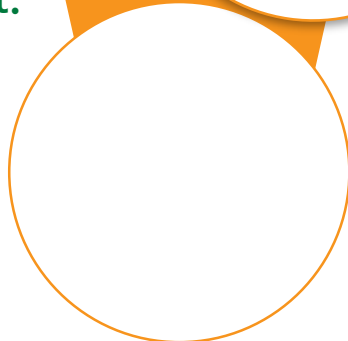

I found these microhabitats in the playground:

I found these animals or plants in this habitat:

1)

2)

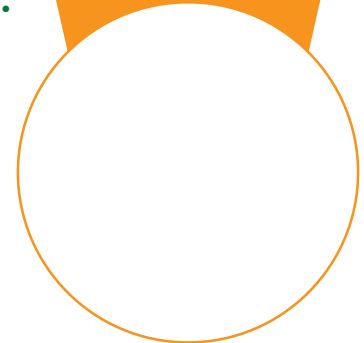

Draw a picture of an animal or plant you saw in the circles
