**Do you have a w...ho-ho-ho..le load of passion for delivering a magical Christmas?
Is this the time of year when you come alive?**

Having recently won three prestigious awards including Large Visitor Attraction in the East of England, third best attraction in the UK for the Visit England Excellence Awards and the Muddy Stiletto's visitor-voted Best Family Attraction in Norfolk, we are going from strength to strength and our cleaners play a vital role in making sure that our buildings and facilities are visitor ready.

In 2021, we ran our inaugural Christmas programme, which was a sell-out with families. On the back of this success, we are looking to bring back the programme for the 2022 season by recruiting the character of Santa to work with us in taking the programme forward this year.

The Christmas journey begins when families step onto the specially created path on their way to meet Santa and his elves. From games with snowmen to magical trees and a very special waiting room all set within a very natural and authentic experience that represents the park and nature within, we want every step to be filled with the magic of Christmas.

The role involves **character work, enthusiasm, and a passion for Christmas**. Adhering to the Santa character at all times, alongside your elves, you will deliver a magical experience, ensuring each family's gifts are presented to their children, posing for photos and engaging with them about Christmas and what they are looking forward to this year.

As with all of our team members, it helps if you have a passion for the outdoors and our spectacular environment to support us in delivering our overall visitor experience.

Your Experience

You must have prior experience of working in entertainment, ideally with children and have a desire to deliver a memorable experience. You will have exceptional communication skills and a great sense of fun.

In addition, you will need to have or be willing to undertake a DBS check prior to starting this contract.

Rate of Pay:

We pay above minimum wage and also offer a range of staff benefits, including café and retail discount card and park access, pension contributions and access to the park to relax when you are not working.
